

A MESSAGE FROM THE PRESIDENT OF BADGER BASKETBALL BOOSTERS

To say the least, the 2015-2016 season was one of transition. For the first time in 15 years, we saw a team trying to "find their stride." And, of course, there was a huge transition with a mid-season coaching change. We saw the players and coaching staff rise to the occasion and bond...and once again become an exciting and successful team! The 2015-2016 season saw a B1G TEN standing of fourth place, an 18th consecutive NCAA tournament bid and our fifth Sweet 16 in the last six years. We saw the Athletic Department recognize how valuable Coach Greg Gard is to Wisconsin and name him the head coach for Wisconsin Badger Men's Basketball. In addition, we welcomed back former players Howard Moore and Joe Krabbenhoft to the coaching staff!

We are so excited about the future of Wisconsin Basketball, and invite you to further your part in the men's basketball program for the upcoming season and beyond. Please consider becoming a member of the Badger Basketball Boosters today! Don't miss the opportunity as a member to participate annually in a variety of unique events, such as golf outings, an away game bus trip, pre-game chalk talks and luncheons and dinners with the coaching staff and team. We thank you for all of your past, present and future support.

On, Wisconsin!

A MESSAGE FROM HEAD COACH GREG GARD

Looking back on the last year brings a roller coaster of emotions and flood of memories. We bid farewell to a legendary coach, witnessed an inspiring mid-season revival and held our breath through countless last-second games. We also celebrated thrilling NCAA tournament wins over Pittsburgh and Xavier—all with the unparalleled backing of our Badgers supporters. For that, I can only say thank you.

Becoming Wisconsin's head coach gave me an even deeper appreciation for the dedication and loyalty that we are so fortunate to have with Wisconsin fans. The incredible way you embraced our team during this season validated everything I had seen over the previous 14 years.

Being your head coach is a tremendous responsibility and something I take great pride in. With five Sweet 16s in the last six years, Badger Basketball is as strong as ever, and it's our charge to continue to build upon the successes of the past players and coaches in a way that will make you extremely proud.

Moments after our season ended in Philadelphia, I was already awash with excitement for what lies ahead. With almost our entire roster returning for 2016-2017, our team and staff are eager to embrace expectations, challenges and new roles. What makes facing those challenges so easy is knowing the unmatched support we have from the Badger Basketball Booster Club. The club plays a vital role in assisting our staff and student-athletes through fundraising and sponsorship.

We hope you will consider becoming a member of the UW Basketball family by joining the Badger Basketball Boosters.
